Name of Activity

Joyful Theatre – Picture Book Story Theater 《千年種子》

Objective(s)

- Be able to understand the story of each seed that grows differently
- Children develop awareness of Chinese culture—through the symbolic meanings of flowers, the wisdom of patience, kindness, diligence, perseverance, respect for others, and empathy

Brief Descriptions:

Inspired by the beloved picture book *An's Seed*, this story takes place in an ancient temple where a wise old monk entrusts three young disciples with a precious thousand-year-old lotus seed. Each disciple chooses what they believe is the best way to plant and nurture the seed. But in the end, who will succeed in making the lotus bloom?
