

# Kindergarten Education Scheme

## School-based Learning Activity of Chinese Culture

### Display Form

Melody Anglo-Chinese Kindergarten and Nursery

Name of School

2024-2025

School Year

K1-K3

Grade Level

### Name of Activity

2024–2025 'Passing on Traditional Chinese Culture' Parent-Child Workshop: 'Healthy Growth – Traditional Chinese Medicine Workshop'

### Objective(s)

- Introduce parents and children in Traditional Chinese Medicine
- Help parents and children effectively recognize the distinctions between Chinese and Western approaches to healthcare

### Brief Descriptions:

Through this activity, parents will gain an understanding of acupuncture techniques in Traditional Chinese Medicine, healthy herbal soups and dietary therapy for children and the process of making herbal medicine sachets.

### Record of Activity (E.g. Children's Work / Photos / Videos of the activity)
