

Kindergarten Education Scheme

School-based Learning Activity of Chinese Culture

Display Form

Melody Anglo-Chinese Kindergarten and Nursery

Name of School

2025-2026

School Year

K1-K3

Grade Level

Name of Activity

Parent Lantern-Making Workshop

Objective(s)

- Learn about the history and cultural significance of lanterns
- Understand the making of lanterns techniques and their materials
- Cultivate respect and interest in traditional Chinese culture

Brief Descriptions:

Teacher first introduce the symbolic meaning of lanterns in Chinese tradition and present different styles of lanterns. From preparing materials to making process, children will learn the skills to create lanterns and also experience the joy of teamwork. This activity will enhanced the children's fine motor skills and also deepened their understanding of the traditional culture leaving them with wonderful memories.
